Disclaimer:

The mapping information contained herein depicts the Special Flood Hazard Area (SFHA) designated by FEMA. The map showing the SFHA reflects the most current information available to the District. The SFHA was based on the FEMA's March 2009 PROOF PANEL which was supplied to the District digitally. The SFHA was further confirmed by FEMA's July 20, 2009 Letter of Final Determination (LFD). Based on FEMA's National Flood Insurance Program-Map Modernization Program regulations, this map will become EFFECTIVE on January 20, 2010.
